International Conference on Optimization of Major Scientific Track For Nursing Care Transformation

Tamil Nadu Nurses and Midwives Council Credit Hours will be awarded

Date: 14th & 15th July 2017
Venue: Nalli Arangam, Saveetha University

Saveetha College of Nursing

Saveetha College of Nursing, established in the year 1992, is one of the constituent college of Saveetha University with only Baccalaureate programme has now rooted itself upto P.B.B.Sc. (N), M.Sc. (N) and Ph.D Nursing. The college provides quality professional education with the integration of innovative technology and high quality scientific research to promote and preserve the highest values and ethics of education in health care to meet the expectation of the society with greater humanity.

Objectives of the Conference

- * To identify and prioritize the thrust areas, initiating and participation in carrying out interdisciplinary research to build a solid base of evidence for stronger Nursing practice.
- * To articulate a shift from theoretical-practical interest and to create interest in investment of nursing practice
- * To understand the increasing complexity of technology for nurses to encounter and to delineate strategies for promoting their effective and safe use.
- * To explore health promotion opportunities through international community empowerment practice.
- * To recognise the advanced and expanded contribution of health care globally to transform the nursing practice.
- * To raise the awareness and to challenge for global prevention of NCD CDC.
- * To know the significance of application of translational research in patient care.
- * To identify the crucial linkage between optimization and transformation of nursing practice among the challenged nurses

Conference Theme

“Optimization of
Major Scientific Track for
Nursing Care Transformation”

Sub Theme

- * Team Approach Towards Interdisciplinary Research
- * Strengthening Nursing Education by Inculcating Current Practice
- * Technologies & Innovations in Health Care
- * Empowering Community Practice by Transforming into Research
- * Advancing Health Practices by Practicing the Nurses
